

Mike Matte
the Marathon CEO

Biography

Mike Matte has spent the last twenty five years as a CEO/President/GM leading the bottom line turnaround of over 44 companies. Early in his career Mike was continuously promoted resulting in over a dozen relocations and multiple two year turnarounds to transform teams throughout the U.S.

Mike is a military academy graduate spending his active duty AF years as a B-52 weapons officer leading 200+ flightline technicians. He is a marathon runner and all around athlete, and stays fit in mind and body in order to maintain a laser like focus and set a leader-ship example for every-one in his life.

Mike has conducted workshops and keynotes on topics ranging from Lead-ership and coaching skills to 25 ways leaders effectively motivate themselves. In his presentations, Mike shares his strategy, secrets, and his beliefs about what it takes to move from failure to success, and more importantly how to avoid the pitfalls of failure. Mike has the ability to modify his program content and flow to meet the needs of any group. His combination of business experience, formal education, entertainment skills, and real life stories of his own family and personal life allow him to balance his content with the right humor, anecdotes, and exercises.
